

What Impact Does Your Donation Have?

Your contribution will help support Baycrest Health Sciences' mission, part of which is to conduct research into cognitive diseases like Alzheimer's.

BAYCREST IS MANY THINGS TO MANY PEOPLE

- ✓ Home to the Rotman Research Institute, a world-renowned research institute focused in cognitive neuroscience.
- ✓ Home to the Canadian Centre for Aging and Brain Health Innovation, the largest investment in brain health and aging in Canadian history. Over 5 years, CC-ABHI will receive \$123M to help create the momentum for a truly transformative venue aimed at tackling health challenges faced by older adults.
- ✓ A 472 bed long term care nursing home.
- ✓ A 262 bed hospital-complex continuing care and rehabilitation.
- ✓ Clinics for memory, mood disorders, hearing, multiple sclerosis, Parkinson's and other health concerns.
- ✓ Serving 1,200 seniors daily.
- ✓ 1,500+ students trained every year.
- ✓ Educational leader in best practices in geriatric care, training 1,500+ professionals per year.
- ✓ Since 2004, the Scotia Pro-Am has raised over \$30M to support Baycrest Health Sciences!

"I am participating in the Pro-Am in memory of my grandparents who suffered from dementia and other brain related illnesses. This is much more than a hockey tournament for me...I am truly honoured to be part of the Pro-Am community and play alongside NHL greats with this shared vision in mind." - [Joey Arfin, Pro-Am Co-Chair and 11 Year Pro-Am Participant](#)
